

INTAKE DEPARTMENT

BEHAVIORAL HEALTH SERVICES

Penn Highlands Healthcare offers multiple locations across West Central PA to provide inpatient and outpatient behavioral health services. Meeting the needs of adolescent, adult and geriatric patients in a timely and respectful way is our top priority.

For your convenience, we have a centralized intake department available by phone, email or fax to meet your referral needs 24 hours a day, seven days a week.

Please reach out to our team so we can quickly determine our service availability for your patient and get them on the path to improved emotional health.
